INTERNATIONAL BOARD OF SHOULDER AND ELBOW SURGEONS  
AN UPDATE FROM STEPHEN COPELAND, CHAIR

[www.icses2010.com](http://www.icses2010.com)

**Dear Colleagues**

We are delighted that so many of you have already registered to attend our Congress. This week we have 1019 registrations – 110 of these registrations are Therapists. In addition, we have 168 accompanying persons registered. The Edinburgh Castle Reception is now fully booked. The Welcome Reception is filling up, but we should be able to accommodate everyone for this. Hotel accommodation in Edinburgh is now difficult but our Conference Organisers – Meeting Makers will do all they can to help those who are booking from now on. Additional hotel rooms have also been obtained.

The accompanying persons' lunch in the Caledonian Hotel has now been changed to the Castle Suite to accommodate the increased numbers. We are extremely pleased that so many delegates' partners are coming to Edinburgh and, for those interested we have also arranged Spa packages at the Caledonian Hotel. The Social events are all popular, particularly the Ceilidh, which will be a truly traditional Scottish evening organised by Julie McBirnie and her colleagues.

The scientific committee have worked enormously hard and the programme has been finalised details can be found at:- [www.icses2010.com](http://www.icses2010.com). The selection of papers has been carried out in the most democratic way taking the advice of surgeons from all around the world lead by Roger Emery. The instructional courses, which are now full, have again proved to be very popular showing the interest in the continuing development of our specialty. Clinical visits to centres in the UK for overseas visitors have also generated interest and can still be booked by emailing the local organisers (see page 2).

The 'Ryder Cup' golf fixture is proceeding well but if you wish to play social golf at other courses please book ahead directly with the course of your choice because they are very busy at this time of year. Further details are available from the main web-site [www.icses2010.com](http://www.icses2010.com). **Appeal for a Golf Captain for the European Team** – Unfortunately Dominique Gazielly cannot captain the European Team. It is important the European Shoulder golfers perform as well as their professional colleagues have just done at the Open Championship in St Andrews – Will we have a South African Champion? If you would like to volunteer to Captain the European team could you please email Angus Wallace [Angus.Wallace@RCSEd.ac.uk](mailto:Angus.Wallace@RCSEd.ac.uk) and Richard Nutton [RNutton@blueyonder.co.uk](mailto:RNutton@blueyonder.co.uk) so that we can prepare for the first ever Shoulder & Elbow International Golf Championship. Richard Nutton has been doing a great job organising for this with his colleagues.

On behalf of the International Board I wanted to thank Angus Wallace and his Organising committee for the huge amount of work that is being done. Angus has taken a very great personal load and generated the enthusiasm to keep everybody going and meet all the very necessary deadlines. The aim of this Congress has always been to make this particular event fun and worthwhile in keeping with the fine traditions and values of the society. I am looking forward to seeing you all in Edinburgh in September.

**Best wishes, Stephen Copeland**
